

ONIC - Pact to Return to Origin - RRI Brasilia Summit 2026

National Indigenous Organization of Colombia (ONIC) - Territorial Monitoring System (SMT)

Wilson Herrera Baltan - Director - poblacion@onic.org.co - +57 311 220 1903

The Proposal - MACI - USD 60-80M / 5 years - USD 12.79M year 1

Framework for Action with Indigenous Communities (MACI) is the bankable vehicle that articulates the mandates of ONIC's XI Congress "Pact to Return to Origin" into 5 operational modules:

| # | Module | Year 1 | Focus |

| ---|---|---|---|

| ****M1**** | Governance & Sovereignty (CREA) | USD 288K | Biocultural protocols - FPIC - ABS - Data Council |

| ****M2**** | Sovereign Data Platform (PSB) | USD 531K | Architecture - MVP - catalogue - APIs - CARE+FAIR |

| ****M3**** | Community Biocultural Monitoring | USD 7.09M | Inventories - QA/QC - results return to communities |

| ****M4**** | Genetics & Biobank | USD 1.27M | In-situ sequencing - biobank - Indigenous custody chain |

| ****M5**** | Bioeconomy & Sustainability | USD 2.46M | Business incubation - blended finance - Nagoya ABS |

The Evidence - 5 ONIC Macro-regions - Verifiable Data

ONIC represents Indigenous peoples across all of Colombia. This is not a proposal - it is evidence:

- ****Amazon - Selva de Mataven (ACATISEMA)**** - ****Verra ID 1566**** REDD+ project - ****VCS + CCB certified**** - ~1.85M ha - 100% Indigenous custody chain - 6 ethnic groups (Cubeo, Curripaco, Piapoco, Piaroa, Puinave, Sikuani) - monitoring 2013-2019 verified.

- ****Orinoco - Useful Plants Indigenous Lands Catalogue 2024**** - ****5,690 unique species**** geolocated - 327,614 records - cross-tabulated with Indigenous reserves - backed by Kew Gardens + GBIF.

- ****Andes - U'wa People - Sierra Nevada del Cocuy**** - Constitutional Court ****Ruling SU-039/1997**** - foundational legal case for FPIC in Latin America.

- ****Caribbean - Sierra Nevada de Santa Marta - Linea Negra**** - Kogui - Wiwa - Arhuaco - Kankuamo peoples - ancestral territory intersections with protection figures.

- ****Pacific - Choco - Embera Dobida and Katio**** - artisanal fishing systems - noni - territorial cosmovision.

The Ask - 5 Concrete 2026-2030 Windows

1. Ford Foundation Andean (Ciurlizza) - M1 biocultural protocols - USD 150-300K multi-year.

2. NICFI Civil Society Call III (Bergum) - M3 Indigenous MRV - USD 1-5M - post-2025.

3. IDB Lab (Azevedo) - M3+M5 scaling Mataven+Plants to 10 territories - USD 500K-2M.

4. GIZ bioeconomy LATAM 2026-29 (Costa) - M5 Book Economias Propias + Plants Catalogue - USD 500K-2M.

5. FCLP country package Colombia (Dabbagh) - M3 TEF overlaps - Forest Tenure Pledge succession - USD 2-10M.

What We Ask in Brasilia

Direct fiduciary recognition of ONIC without intermediary vehicles that dilute political control. Less than 1% of the USD 1.7B post-COP26 reaches Indigenous national organizations directly. MACI provides the architecture that funders can actually transfer to.
